

Hallucination Rate Evaluation Dataset

Veritas vs. VeritasRAG — 100 Ground Truth Query–Answer Pairs

JKUAT Institutional Knowledge Base / MCS Timetable + Academic Guidelines

Instructions. Each query below is submitted verbatim to both systems. A response is marked $H = 1$ (hallucination) if any factual claim cannot be verified against the ground truth answer in this document. A response is marked $H = 0$ if all verifiable claims match. Partial matches are resolved by annotators using majority vote.

Category 1: Fee Structures (Q1–Q20)

1. **Q:** What is the Year 1 tuition fee for BSc Computer Science at JKUAT?
GT: KES 148,000.
2. **Q:** What is the Year 4 tuition fee for BSc Computer Science?
GT: KES 135,000.
3. **Q:** What does a BSc Software Engineering student pay in Year 1?
GT: KES 150,000.
4. **Q:** What is the Year 3 fee for BSc Software Engineering?
GT: KES 140,000.
5. **Q:** How much does a Year 1 BSc Mathematics and Computer Science student pay?
GT: KES 140,000.
6. **Q:** What is the Year 4 fee for BSc Mathematics and Computer Science?
GT: KES 126,000.
7. **Q:** What is the Year 1 fee for BSc Electrical and Electronic Engineering?
GT: KES 165,000.
8. **Q:** What does a Year 2 BSc Biomedical Engineering student pay?
GT: KES 161,000.
9. **Q:** What is the Year 1 fee for BPharm (Pharmacy)?
GT: KES 175,000.
10. **Q:** How much does a Year 2 BSc Nursing student pay?
GT: KES 149,000.
11. **Q:** What is the registration fee per semester for all students?
GT: KES 2,000.
12. **Q:** How much is the examination fee per semester?
GT: KES 4,000.

13. **Q:** What is the ICT/Technology fee per semester?
GT: KES 2,500.
14. **Q:** How much is the medical/health fee per semester?
GT: KES 3,500.
15. **Q:** How much is the caution money for Year 1 students?
GT: KES 5,000. It is refundable and charged in Year 1 only.
16. **Q:** What is the household/hostel fee per semester for on-campus students?
GT: KES 18,000 to KES 25,000.
17. **Q:** What is the Semester 1 fee for MSc Computer Science?
GT: KES 85,000.
18. **Q:** How much does an MBA student pay in Semester 3?
GT: KES 85,000.
19. **Q:** What is the Semester 1 fee for a PhD in Engineering?
GT: KES 115,000.
20. **Q:** How much is the Student Union fee per semester?
GT: KES 1,500.
-

Category 2: Academic Programmes and Admission (Q21–Q40)

21. **Q:** Does JKUAT offer a BSc in Information Technology?
GT: Yes. Year 1 fee is KES 148,000.
22. **Q:** Does JKUAT offer a BSc in Architecture?
GT: Yes. Year 1 fee is KES 158,000.
23. **Q:** What is the Year 1 fee for BBM (Business Management)?
GT: KES 120,000.
24. **Q:** What is the Year 1 fee for BEd Science?
GT: KES 118,000.
25. **Q:** What is the Year 2 fee for BSc Agriculture?
GT: KES 129,000.
26. **Q:** What is the Year 3 fee for BSc Food Science and Technology?
GT: KES 127,000.
27. **Q:** What is the Semester 2 fee for MSc Mathematics?
GT: KES 74,000.

28. **Q:** What is the Semester 1 fee for MSc Electrical Engineering?
GT: KES 92,000.
29. **Q:** Does JKUAT offer a PhD in Science and Technology?
GT: Yes. Semester 1 fee is KES 110,000.
30. **Q:** What is the Semester 3 fee for MSc Information Technology?
GT: KES 75,000.
31. **Q:** Are JKUAT fees subject to review?
GT: Yes. Fees are reviewed annually by the University Council.
32. **Q:** How should JKUAT fees be paid?
GT: Through the University's official bank accounts or designated M-Pesa Paybill numbers.
33. **Q:** Where can a student confirm the current fee schedule?
GT: At the Finance Office or via the JKUAT Student Portal.
34. **Q:** What is the Year 1 fee for BSc Civil Engineering?
GT: KES 160,000.
35. **Q:** What is the Year 4 fee for BSc Mechanical Engineering?
GT: KES 147,000.
36. **Q:** How much is the library fee per semester?
GT: KES 1,800.
37. **Q:** Is the Student ID fee charged every year?
GT: No. It is charged in Year 1 only and costs KES 500.
38. **Q:** What is the Semester 2 fee for MSc Physics?
GT: KES 74,000.
39. **Q:** What does a Year 3 BSc Chemistry student pay?
GT: KES 123,000.
40. **Q:** What does a Year 2 BSc Physics student pay?
GT: KES 126,000.
-

Category 3: Session Reporting and Unit Registration (Q41–Q60)

41. **Q:** What is the deadline for session reporting at JKUAT?
GT: By the end of the first week of every semester.
42. **Q:** What happens if a student does not session report by the deadline?
GT: The student is marked absent for that semester and may face academic suspension.

43. **Q:** Where does a student go to complete session reporting?
GT: The JKUAT Student Portal at portal.jkuat.ac.ke, under Academics then Session Reporting.
44. **Q:** Is session reporting mandatory for students on attachment?
GT: Yes. It is mandatory for all registered students including those on attachment or special programmes.
45. **Q:** What is the unit registration deadline at JKUAT?
GT: By the end of the fourth week of the semester.
46. **Q:** What percentage of fees must a student pay before registering units?
GT: A minimum of 75% of total semester fees.
47. **Q:** What happens if a student's fee payment is below 75% during unit registration?
GT: The system automatically blocks unit registration for that student.
48. **Q:** Can a student register units without completing session reporting?
GT: No. Students who have not session-reported are blocked from registering units.
49. **Q:** What is the maximum credit load per semester for undergraduate students?
GT: Typically 24 credit hours.
50. **Q:** After submitting unit registration, what does the student receive?
GT: A confirmation with a unique registration number sent to their university email.
51. **Q:** Can a student on academic leave skip session reporting?
GT: No. Students on academic leave or deferred study must also session-report to confirm return.
52. **Q:** Does session reporting replace unit registration?
GT: No. Session reporting does not replace unit registration; both must be completed independently.
53. **Q:** Is manual session reporting available?
GT: Yes. Manual session reporting at the Registrar's Office is available for students with portal access issues.
54. **Q:** What should a student do if their personal details are wrong during session reporting?
GT: Report discrepancies to the Registrar's Office immediately.
55. **Q:** What are the steps for unit registration if fees are not yet 75% paid?
GT: Unit registration cannot proceed. The student must first pay at least 75% of semester fees.
56. **Q:** Can late unit registration be approved after Week 4?
GT: Only with special approval from the Dean of the relevant Faculty.
57. **Q:** Where does a student check their fee balance before unit registration?
GT: On the Student Portal under Finance, then Fee Statement.

58. **Q:** What proof of unit registration should a student keep?
GT: A printed unit registration card from the portal, kept for reference during examinations.
59. **Q:** What confirmation does a student receive after session reporting?
GT: A confirmation message and reference number, displayed on screen and emailed to the university email address.
60. **Q:** Is session reporting available from the first day of semester?
GT: Yes. It is available online from the first day of each semester.
-

Category 4: Examinations and Campus Policies (Q61–Q80)

61. **Q:** Will a student who has not cleared household fees be allowed to sit exams?
GT: No. Students who have not cleared household/hostel fees in full will not be permitted to sit any University examinations for that semester.
62. **Q:** What is the minimum class attendance required to sit examinations?
GT: 75% for each registered unit.
63. **Q:** What documents must a student present at the examination hall?
GT: A valid Student Identity Card, unit registration card, and for on-campus students a household fee clearance slip.
64. **Q:** What grade is awarded to a student denied entry to an examination?
GT: A grade of IC (Incomplete) or AB (Absent), which may lead to a fail grade upon processing.
65. **Q:** Where does a student obtain household fee clearance?
GT: From the Hostels and Accommodation Office.
66. **Q:** What is the most common reason students fail to register units?
GT: Fee payment below 75% of total semester fees.
67. **Q:** A student has outstanding balances from a previous semester. Can they register units?
GT: No. Carried-forward arrears from prior semesters may lock the account. The student must contact the Finance Office for a clearance letter or payment plan.
68. **Q:** Can a student on academic suspension register units?
GT: No. Students on academic suspension or probation cannot register units until the Dean lifts the restriction.
69. **Q:** A Year 1 student has not done biometric registration. Can they register units?
GT: They may be temporarily blocked. They must visit the ICT Registration Centre to complete biometric registration.
70. **Q:** Where should a student go if none of the listed reasons explain their unit registration failure?

GT: To the Academic Registrar's Office with their student ID and fee receipt for manual assistance.

71. **Q:** What is the deadline to apply for supplementary examinations?

GT: Within 2 weeks after results are released.

72. **Q:** Who processes supplementary exam applications?

GT: The Faculty Dean's Office.

73. **Q:** How long does a transcript request take to process?

GT: Allow 5 to 10 working days.

74. **Q:** What happens to a student whose maximum study duration has lapsed?

GT: They cannot register units without written approval from the Senate and must apply for an extension through the Faculty Dean.

75. **Q:** A transfer student cannot register units. What is the likely reason?

GT: Incomplete programme clearance while their new programme details are being updated by the Registrar.

76. **Q:** What should a student do if the portal has technical issues during unit registration?

GT: Try a different browser, clear the cache, or visit the ICT Helpdesk at the Students' Centre.

77. **Q:** Must continuous assessment tests be submitted before sitting examinations?

GT: Yes. Students must submit all CATs and assignments as required by the relevant Department.

78. **Q:** Must library fines be cleared before sitting examinations?

GT: Yes. Students must clear any library fines or outstanding obligations as required.

79. **Q:** What is the email address for the Finance Office?

GT: finance@jkuat.ac.ke.

80. **Q:** Where is the ICT Helpdesk located?

GT: Students' Centre, ICT Lab.

Category 5: Events, Timetable and Contacts (Q81–Q100)

81. **Q:** When is ICMPS 2026 taking place?

GT: 6th and 7th July 2026 at JKUAT Main Campus, Juja.

82. **Q:** What is the abstract submission deadline for ICMPS 2026?

GT: 30 May 2026.

83. **Q:** What is the full paper submission deadline for ICMPS 2026?

GT: 25 June 2026.

84. **Q:** What is the student registration fee for ICMPS 2026?
GT: KES 5,000.
85. **Q:** What is the faculty registration fee for ICMPS 2026?
GT: KES 12,000.
86. **Q:** Is virtual attendance available for ICMPS 2026?
GT: Yes, via the JKUAT e-Conference platform for registered participants unable to attend physically.
87. **Q:** What is the email contact for ICMPS 2026?
GT: icmps2026@jkuat.ac.ke.
88. **Q:** When will acceptance notifications for ICMPS 2026 be sent?
GT: By 15 June 2026.
89. **Q:** What is the abstract length requirement for ICMPS 2026?
GT: 250 to 350 words.
90. **Q:** What time does the Opening Ceremony of ICMPS 2026 start on Day 1?
GT: 09:30 on Sunday 6 July 2026.
91. **Q:** Where is the Gala Dinner held during ICMPS 2026?
GT: JKUAT Gardens, on Sunday 6 July 2026 from 19:00 to 21:00.
92. **Q:** What unit do MCS Year 2 students have on Monday morning?
GT: STA 2201 Probability and Statistics III, from 7:00 to 10:00 in HRD 03.
93. **Q:** Where is Internet Application Programming held?
GT: PAM LAB B, on Monday from 11:00 to 14:00.
94. **Q:** What time and where is System Analysis and Design conducted?
GT: Tuesday from 8:00 to 10:00, online.
95. **Q:** When is Entrepreneurship Skills (HRD 2401) scheduled?
GT: Tuesday from 12:00 to 14:00 in HRD 03.
96. **Q:** Where and when is Linear Algebra I taught?
GT: Wednesday from 7:00 to 10:00 in CLB 104.
97. **Q:** When is Operating Systems II held and in what mode?
GT: Wednesday from 12:00 to 15:00, online.
98. **Q:** When and where is Statistical Programming scheduled?
GT: Thursday from 9:00 to 12:00 in PAM LAB A.
99. **Q:** When is Introduction to Abstract Algebra scheduled?
GT: Thursday from 12:00 to 15:00 in CLB 002.
100. **Q:** What is the email and phone number for the Academic Registrar?
GT: registrar@jkuat.ac.ke, phone +254 67 52711.

Annotation Instructions. For each query, record the following per system:

- $H(q_i) = 1$ if the response contains any claim contradicting or absent from the ground truth answer above; $H(q_i) = 0$ otherwise.
- $A(R)$ = number of verifiable claims in the response that match the ground truth.
- $|C(R)|$ = total number of verifiable claims extracted from the response.
- Compute $\text{Accuracy}(R_i) = A(R)/|C(R)|$ per response.
- Aggregate across all 100 queries to compute HR and $\overline{\text{Acc}}$ for each system.
